

UGMEC Governance Structure
 October 10, 2023

¹Is delegated the authority to make final admissions decisions by, and is accountable to, the Undergraduate Medical Education Committee

²MD/PhD Admissions Subcommittee acts in an advisory role to Undergraduate Medical Education Committee and also Graduate & Postdoctoral Education Committee

³Regional & Resource Advisory Council acts in an advisory role to the Undergraduate Medical Education Committee and also the Distributed Program Planning Committee

Note: Student Affairs collaborates with the Undergraduate Medical Education Committee, but it is purposefully distinct from the Undergraduate Medical Education Committee Structure. The Student Affairs Advisory Council advises the Associate Dean, MD Student Affairs, who reports directly to the Vice Dean, Education.
