

9th Annual FLEX Activity Day - NMP

January 29 2024

12:00pm-5:00pm

Location: UNBC, NHSC Rm 9-200

Faculty & Student Mingle with Catered Food [atrium] – 12:00pm – 1:00pm

Keynote Speaker – Dr. Joshua Greggain [Zoom from VFMP to all sites] – **1:00pm – 1:45pm**

Josh Greggain (*he/him/his*) is a healthcare leader and award-winning family physician over the last 20 years in British Columbia. His work has been primarily focused in rural BC, with the mainstay of his career in Hope and the Fraser Canyon, the traditional and unceded territory of the Coast Salish Peoples, including the *Stó:lo* and *Nlaka'pamux* First Nations.

He is currently the program director for UBC Department of Family Practice Postgraduate program, and previously served as President of the Doctors of BC in 2023.

He is married to Jennifer, a national golf coach with Team Canada, and they have two children, Darren and Levi. They recently moved to reside in unceded *młskwíem* territory on UBC Vancouver campus.

Dr. Joshua Greggain

Canadian Medical Student Research Competition – 1:50pm – 2:40pm

Ten 3rd and 4th year UBC medical students will present their FLEX projects. Judges will choose one to represent FLEX at the national competition that takes place on May 4th.
