

FLEX Activity Day – Jan 29

Side-Wide Programming:

1:00 – 1:45 PM – Dr. Joshua Greggain

Dr. Greggain (he/him/his) is a healthcare leader and award-winning family physician over the last 20 years in BC. His work has focused on rural BC, with the mainstay of his career in Hope and the Fraser Canyon, the traditional and unceded territory of the Coast Salish Peoples, including the Stó:lo and Nlaka'pamux First Nations. He is currently the Program Director for the UBC Department of Family Practice residency program and served as President of the Doctors of BC in 2023.

1:50 PM – 2:40 PM - Canadian Medical Student Research Competition

Ten 3rd and 4th year UBC medical students will present their FLEX projects. Judges will choose one to represent UBC-FLEX at the national competition that takes place on May 4th (yes, Star Wars Day).
