

PGME TTP Activity Catalogue

This document maps the teaching activities performed by Clinical Faculty for the Postgraduate Medical Education Program (PGME) to the appropriate compensation due as determined by the Clinical Faculty Compensation Terms*. It includes the activity type definitions, activity variant definitions, the type of activities tracked, whether or not the activity is compensable and the dollar value compensated. The information below is the same information used by the Teaching Tracking and Payment System.

*The Clinical Faculty Compensation Terms set out the terms and conditions that govern compensation for certain teaching services provided by Clinical Faculty in the MDUP and Residency Programs in the Faculty of Medicine. The current terms cover the period of July 1, 2023-June 30th 2025. They can be found on the Appointment Policy & Compensation Terms page of the Faculty of Medicine website, under "Compensation Terms". If you have any questions about the Clinical Faculty Compensation Terms, please contact the Office of Clinical Faculty Affairs.
